Setting preferred language for my ShopFactory Cloud package billing emails

Merliza N. - 2021-11-12 - Billing and Sales

To set the preferred language in your ShopFactory Cloud rental package :

- In ShopFactory, select *ShopFactory Central* page at the left-tree menu

- Click *My Orders* (This will log you into your cloud interface)

- Click on Account - > Account Profile

- Change the language

- Click on *Save* on the top-right.

The billing emails are sent according to the language you have chosen in your ShopFactory account.
