EN-Enable Afterpay payment option in your online shop

Merliza N. - 2024-08-28 - [Zahlungsmöglichkeiten](#)

Buyers can signup for an Afterpay account and start shopping at their favourite store - select Afterpay as payment method - and can pay for the purchase in 4 simple automated payments, every 2 weeks.

Afterpay is a payment method that you can offer to your customers.

[Click here](#) if you want to add Afterpay to your Checkout. When you signup for a merchant account with Afterpay, it must go through an approval process. Upon acceptance to the Afterpay program, they will send you the Merchant ID and Afterpay Secret key by email.

Once your Afterpay credentials are setup - *Merchant ID* and *Secret Key*, you can now enable Afterpay in your online shop.

- Open your shop in ShopFactory
- Click **Central** dropdown -> **Payment Method Accepted**
- From the Payment Providers list, tick "**Afterpay AU**"
- Scroll down the page and click NEXT
- Enter your Afterpay **Merchant ID** and Afterpay **Secret Key**
- Tick "Afterpay" under payment method
