EN-Adding my Own Payment Method in ShopFactory

Elenor A. - 2021-12-08 - Payment Settings

ShopFactory allows you to rename several Bank Transfer payment options under Manual Payments section. However, you can also define your own custom payment method as outlined below:

1. In ShopFactory 14, click ***Central*** dropdown menu-> *Payment Methods Accepted*

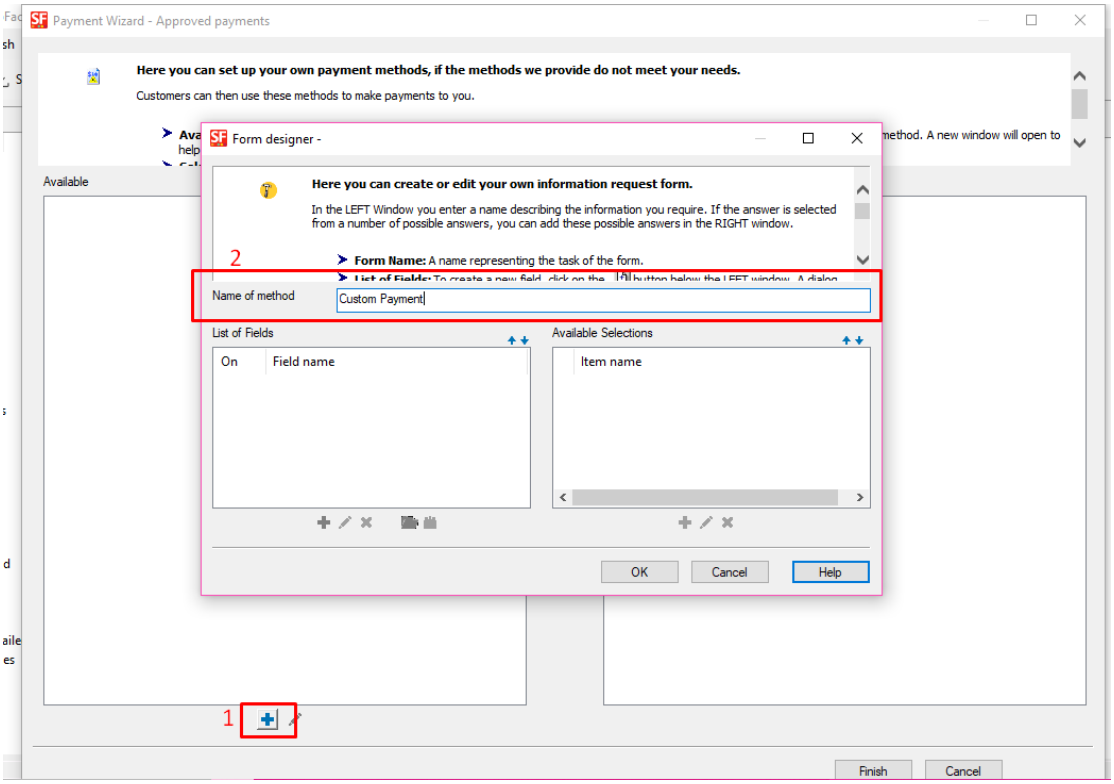

2. Scroll down and tick "**I would like to define my own payment methods**" checkbox, as shown below.

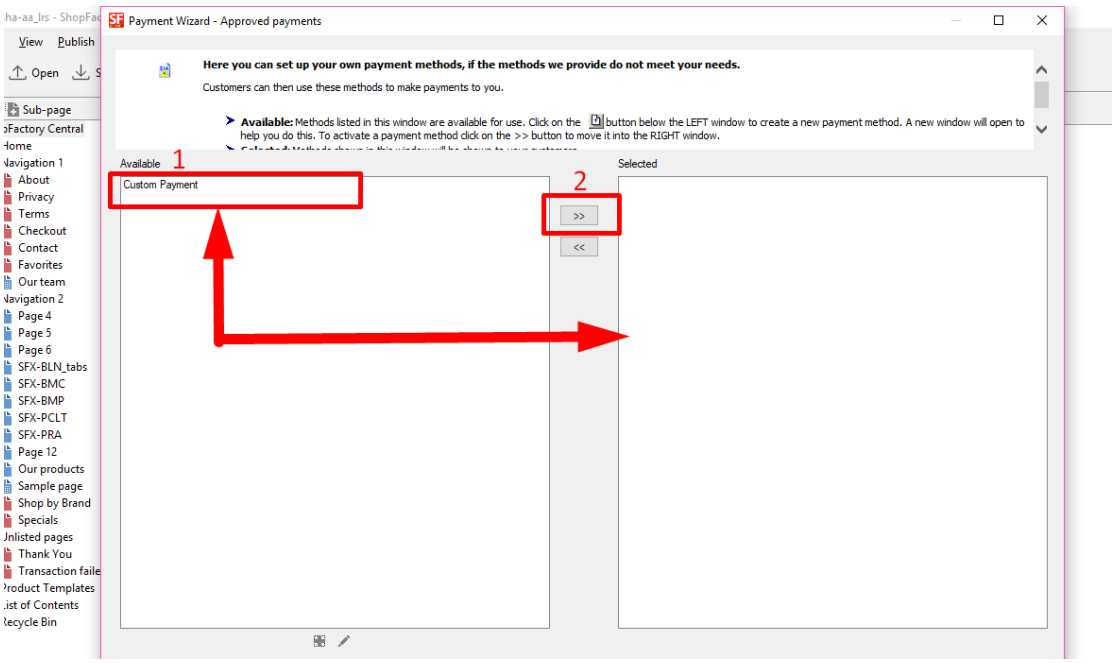

3. Click NEXT

4. Enable other payment methods you want to accept in your shop then click Next

5. The custom payment dialog will appear. Click *ADD* **+** button to define your own payment methods

6. Select the payment method and click >> button to move it to SELECTED section.

7. Click *Finish*
