

EN-How do I setup Paypal Pro in ShopFactory?

Elenor A. - 2021-12-08 - Payment Settings

To accept PayPal Pro payments, you need a paid SF Cloud Total Care/GlobeCharge account, because you will need to upload your PayPal API Credentials Certificate to a secure server.

How do I download my PayPal Pro API?

1. Login your your PayPal account.
2. Click on Profile in the menu
3. Under Account Information, Click on the link API Access
4. You will see a box Request API Credentials, click on the link View or Remove Credentials
5. Click on View or Remove Credentials
6. Click on Download certificate and save the file to your computer. You will need to upload this file into GlobeCharge.

In ShopFactory

- Open shop in ShopFactory
- Click *Central* dropdown -> Payment methods accepted
- From the list of payment methods, tick PayPal Pro

The partner companies listed below can approve payments made to you. You must have an account w them.

Country

Show all 

Select	Service Providers
<input type="checkbox"/>	 PayPal
<input type="checkbox"/>	 PayPal Express

<input type="checkbox"/>	 Moneybookers (Skrill)
<input type="checkbox"/>	 2checkout v1
<input type="checkbox"/>	 2checkout v2
<input type="checkbox"/>	支付宝
<input type="checkbox"/>	Amazon Simple Pay
<input type="checkbox"/>	 Atos Worldline

- Click Next

- In the next page, you must enter your PayPal Pro details.

The screenshot shows a web form for configuring PayPal Pro. At the top left, there is a checkbox for 'Visa'. Below it, a red box labeled '1.' encloses the 'PayPal Pro' section, which includes a sub-section for 'Account details (UK, US, CA merchant accounts ONLY)'. This section contains input fields for 'API Username', 'API Password', 'Or Signature', 'Cardinal Processor ID (UK Maestro only)', 'Cardinal Merchant ID (UK Maestro only)', and 'Cardinal Transaction Password (UK Maestro only)'. Below these fields is a dropdown menu for 'Currency' currently set to 'Australian Dollar (AUD) A\$'. A red box labeled '2.' highlights the 'Set currencies' button. Below the currency dropdown, a red box labeled '3.' encloses the 'Payment method' section, which lists several payment options with checkboxes: American Express, Diners Club, Discover, JCB, Maestro, Mastercard, PayPal Express, Solo, and Visa. At the bottom left of the form, the text 'DanOnline by UniCredit' is visible.

a) Enter your API Signature details from your Paypal Pro Account.

How do I obtain an API Signature?

1. Firstly you must have a valid Verified Paypal Business Account, if not go to www.paypal.com and signup

2. Login to your paypal account at www.paypal.com

3. Select the tab Profile

4. From the window above click on API Access

5. If you have not done so already click on Request API Credentials

6. On the next window choose the API Signature Option and Submit

b) Click on Set Currencies to choose currencies accepted in your Shop

c) Select the Payment method you want to accept under PayPal Pro

- Click the Next button

- Click Finish
