I need to display Shipping Charges for Each Product - how do I do this?

Elenor A. - 2021-12-08 - Shipping and Taxes

- Open your shop in ShopFactory
- Click -> Central dropdown -> Shipping charges
- Click on the box "show shipping charges for product"

- Now your Product will display a Shipping Charges Link like the example below

	<p>A product 1 This is a short description.</p>	<p>\$2.50 <small>ex Shipping</small></p> More details
	<p>A product 2 This is a short description.</p>	<p>On special Reduced £3.56 \$2.85 <small>ex Shipping</small></p> More details
	<p>A product 3 This is a short description.</p>	<p>\$2.67 <small>ex Shipping</small></p> More details
