Setting up Masterpass as a payment option in my shop

Merliza N. - 2021-12-08 - Payment Settings

Masterpass is already supported in ShopFactory but is currently ONLY available for Australian merchants with payment provider account thru *DirectOne*, *eWAY* or *SecurePay gateways*.

Here is my MasterPass test shop only for Australian merchants:

http://merliza.santu.com/ - at the ordertotal page, you can see the MasterPass button (express checkout)

- Open your shop in ShopFactory

- Click on Central dropdown -> Payment Methods Accepted

Note: To use Masterpass as payment method payment provider account thru *DirectOne*, *eWAY* or *SecurePay gateways.*

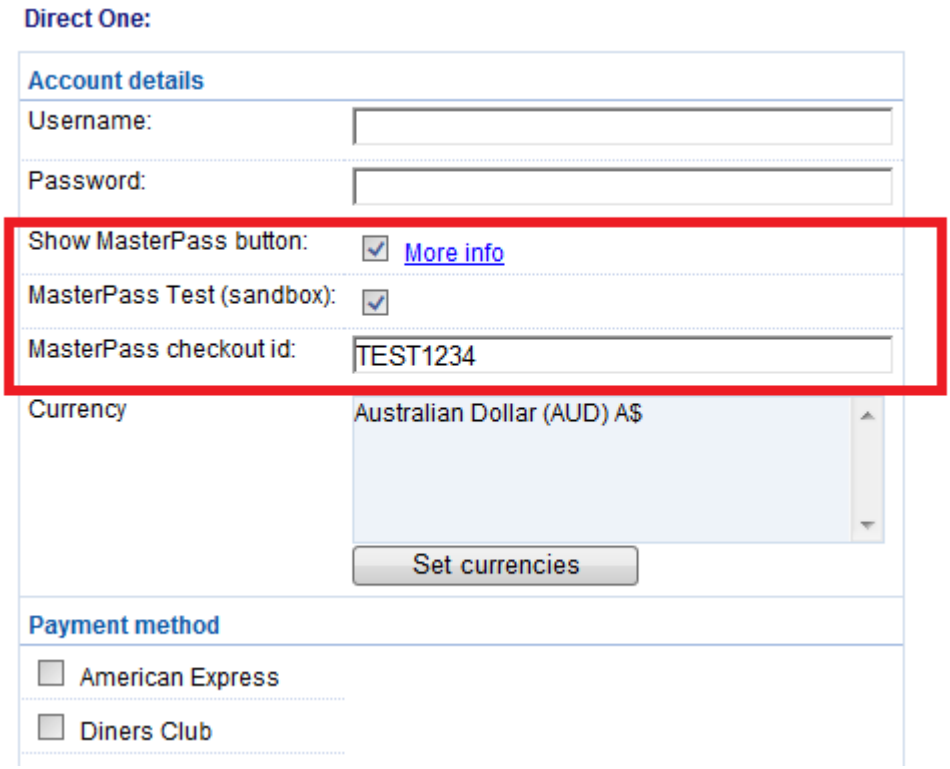

- The payment providers list shows up, enable the payment you want by ticking it in this case, tick " *DirectOne*, " option

- Click Next

- Enter your *DirectOne* merchant account details (Username, Password, currencies supported, etc.)

- To enable Masterpass payment you need to tick the box for "**Show Masterpass button**" and enter your **MasterPass checkout id**

- Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account

- Click Next

(***Note***: You can sort the payment methods display by pressing the up/down arrow)

- Click Finish

- Save and preview your shop. Place a test order.

- Republish your shop so that the changes are uploaded online.

Your shop can now accept online orders.
