EN-Setting up Paybox (France) payment in my shop

Elenor A. - 2021-12-08 - Payment Settings

- Open your shop in ShopFactory

- Click on ***Central*** dropdown -> **Payment Methods Accepted**

- The payment providers list shows up, enable the payment you want by ticking it in this case, tick "*Paybox Services*" option

- Click Next

- Enter your Paybox Services merchant account details (Username, password, identifiant, currencies supported, etc.)

- Make sure you select the currency that matches your shop currency, once set it cannot be changed in your Total Care account

- Tick the card types under Paybox Services' supported Payment Methods that you want to enable in your shop.

Note: TEST transactions

If you wish to make a number of tests using Paybox Services before your account goes live you just

need to add TEST infront of your username. When your account is "live" you need to remove the word TEST from the username. (TEST in front of user name will redirect to the test server)
