3. Click on **ShopFactory Cloud** button. You will be redirected to the SF Cloud interface.

4. Click Account -> Account -> **Manage Subscription**

<https://app.santu.com/buynow/setup/payment>

Simply click the "**Close account**" button and confirm you no longer need the SF Cloud services. Your ShopFactory Total Care subscription will continue to run until the expiry date.

The screenshot shows the 'Account' page with a sidebar on the left containing links like 'My Profile', 'ShopFactory store address', 'Payment methods accepted', 'Checkout settings', 'Checkout banner', 'Manage users', 'Company logo', 'Password', 'Payment history', 'Manage subscription' (highlighted in red), and 'GDPR agreement'. The main content area is titled 'Manage subscription' and includes a 'Your plan: GOLD' section with an 'Upgrade' button, a 'Paid until 15/02/2020' date, and a 'Manage Apps' button. Below this is the 'Payment preference' section, which states 'Changes will take effect on 15/02/2020' and offers two options: 'Yearly (save 20%)' at \$A 63.20 a month and 'Monthly' at \$A 79.00 a month. The 'Payment methods' section follows, with a red instruction to 'Select your payment option and update your payment details here.' and a grid of payment methods including Pay On Invoice, Bancontact, Bank Transfer, iDeal, SEPA Direct Debit, Bank transfer (Sofort), PayPal Express, AMEX, Diners Club, Mastercard, and Visa. At the bottom, the 'Close account' section contains the text 'Click the button below to close your account. Changes will take effect on 15/02/2020' and 'You can hide your store immediately in My Store'. A yellow arrow points to the 'Close account' button, which is labeled '1.'.

- If you purchased a ShopFactory Lifetime License version, only your "SF Cloud services" will be closed down. You continue to have access to the ShopFactory software without subscribing to the SF Cloud backend services.

Alternatively, you can login to <https://www.globecharge.com/> using your ShopFactory Total Care account (username and password)

- Go to **Settings** menu -> **Subscribed Services**

- Click "**Close account**" button

When you click on the close account button, a confirmation window will pop up. If this does not show, it is being blocked by a pop up blocker on your PC. You will need to temporarily disable/turn off the pop-up blocker to confirm that you wish to close your account.

- You will receive an email confirmation that your account has been closed.

### **Are you paying for your ShopFactory subscription thru PayPal?**

If you are paying via PayPal, you must cancel the active PayPal subscription. Login to your PayPal account and open the latest payment for your ShopFactory subscription -> go into the subscription panel -> cancel your PayPal subscription so that PayPal does not keep charging you every month even if you have closed your ShopFactory Cloud account.
