

## How to setup Klik&Pay gateway in ShopFactory

Elenor A. - 2021-10-27 - Payment Settings

1. Open your shop in ShopFactory
2. Click on Central dropdown -> *Payment Methods Accepted* -> at the Service Providers list, tick **Klik&Pay** checkbox, as shown in the below screenshot

<input type="checkbox"/>	 <a href="#">Kadobon Online</a>
<input type="checkbox"/>	 <a href="#">Klarna Austria</a>
<input type="checkbox"/>	 <a href="#">Klarna Danmark</a>
<input type="checkbox"/>	 <a href="#">Klarna Deutschland</a>
<input type="checkbox"/>	 <a href="#">Klarna Finland</a>
<input type="checkbox"/>	 <a href="#">Klarna Nederland</a>
<input type="checkbox"/>	 <a href="#">Klarna Norway</a>
<input type="checkbox"/>	 <a href="#">Klarna Sverige</a>
<input checked="" type="checkbox"/>	<b>Klik &amp; Pay</b>
<input type="checkbox"/>	 <a href="#">LinkPoint Basic</a>
<input type="checkbox"/>	 <a href="#">LinkPoint Select</a>
<input type="checkbox"/>	<a href="#">MonetaWeb</a>
<input type="checkbox"/>	 <a href="#">Multicards</a>
<input type="checkbox"/>	 <a href="#">MultiSafepay</a>
<input type="checkbox"/>	 <a href="#">NetBanx</a>
<input type="checkbox"/>	 <a href="#">NOCHEX</a>
<input type="checkbox"/>	 <a href="#">Oqone ecommerce</a>
<input type="checkbox"/>	 <a href="#">Oqone ecommerce V2</a>
<input checked="" type="checkbox"/>	 <a href="#">PqOnline by UniCredit</a>
<input type="checkbox"/>	 <a href="#">Paielement par carte bancaire : SPPLUS</a>
<input type="checkbox"/>	 <a href="#">PAYBOX SERVICES</a>

3. At the bottom of the page, click NEXT button.
4. Enter your **Klik&Pay** merchant details - enable the currencies supported and then tick the payment methods supported in your account. **Note:** Tick the TEST checkbox if your merchant account is still in testing mode.

Klik & Pay:

**Enter your Klik&Pay merchant details in this section**

**Account details**

ID:
