3. At the bottom of the page, click NEXT button.

4. Enter your **Klik&Pay** merchant details – enable the currencies supported and then tick the payment methods supported in your account. **Note:** Tick the TEST checkbox if your merchant account is still in testing mode.

5. Click NEXT button and click Finish to save the settings.

6. Save your project and then click on 'Preview' -> Preview in external browser -> place a test order in your shop to ensure checkout can be completed.

7. Go back to 'Normal' mode and publish your shop.
