How to setup TWINT payment option in PostFinance API merchant account

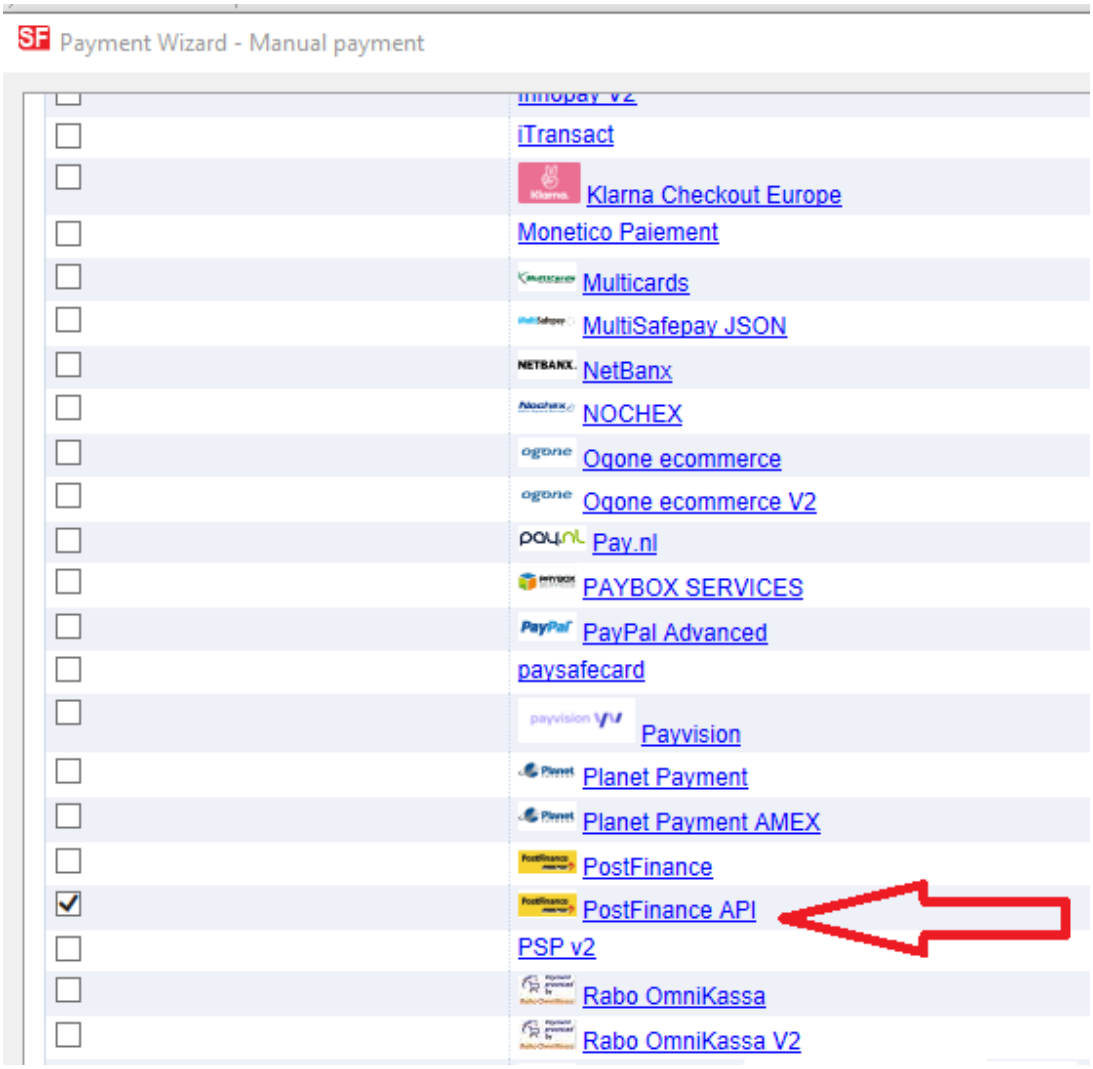

ShopFactory Support - 2022-12-13 - Payment Settings

To setup the preferred payment method in your shop using your PostFinance API credentials,

- Open your shop in ShopFactory

- Click ***Central*** dropdown -> ***Payment Method Accepted***

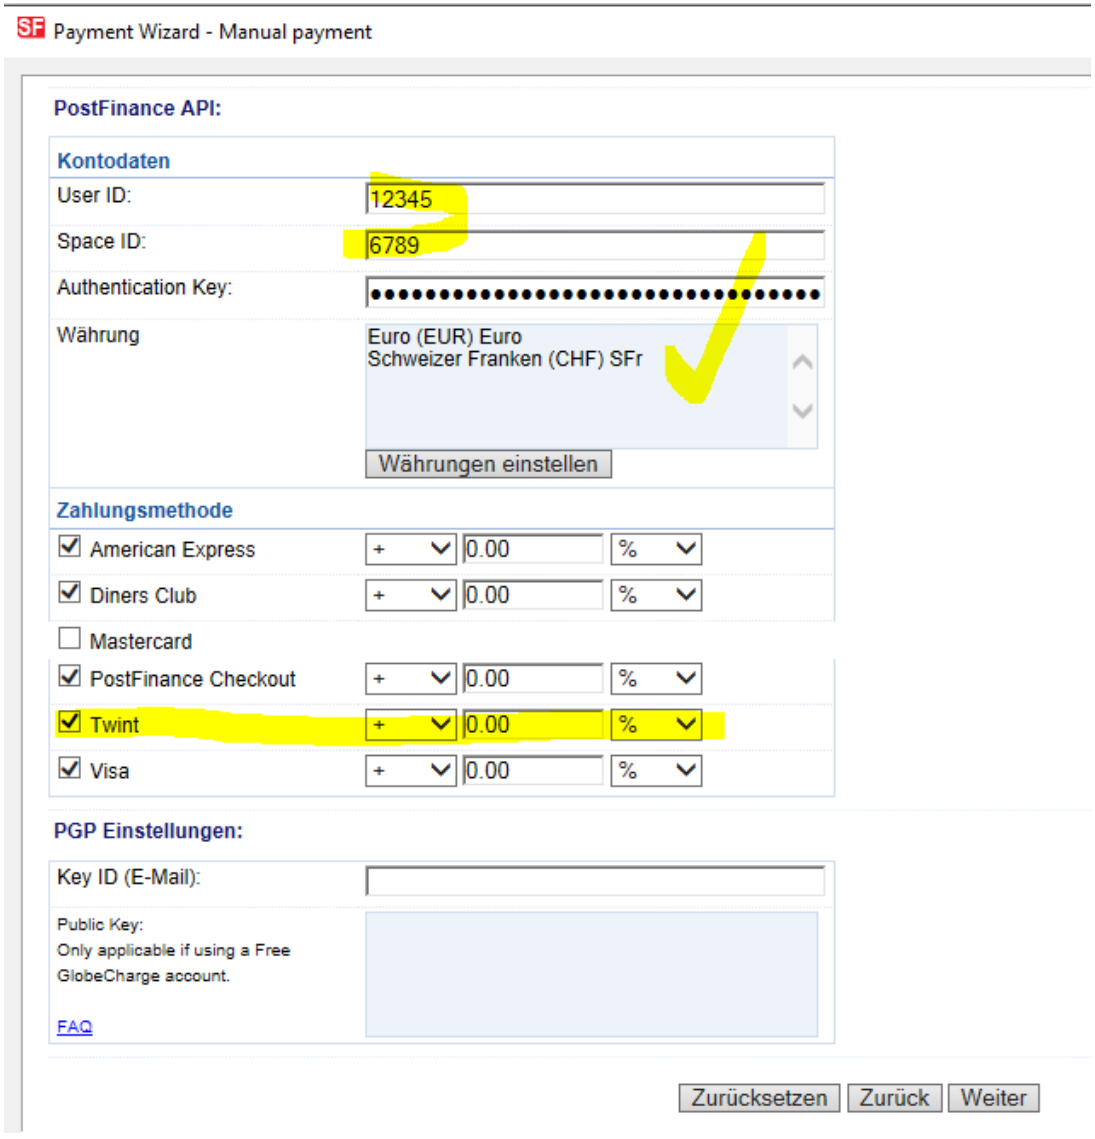

- From the Payment Providers list, tick "**PostFinance API**" checbox

- Scroll down the page and click ***NEXT***

- Enter your ***PostFinance API*** merchant account credentials including the supported shop currencies.

- Then tick the card types under ***PostFinance API*** supported *Payment Methods* that you want to accept in your shop
