

## How to setup TWINT payment option in PostFinance API merchant account

ShopFactory Support - 2022-12-13 - Payment Settings

To setup the preferred payment method in your shop using your PostFinance API credentials,

- Open your shop in ShopFactory
- Click **Central** dropdown -> **Payment Method Accepted**
- From the Payment Providers list, tick "**PostFinance API**" checkbox

SF Payment Wizard - Manual payment

<input type="checkbox"/>	 <a href="#">iropay v2</a>
<input type="checkbox"/>	 <a href="#">iTransact</a>
<input type="checkbox"/>	 <a href="#">Klarna Checkout Europe</a>
<input type="checkbox"/>	 <a href="#">Monetico Paiement</a>
<input type="checkbox"/>	 <a href="#">Multicards</a>
<input type="checkbox"/>	 <a href="#">MultiSafepay JSON</a>
