I need to display Shipping Charges for Each Product - how do I do this?

Elenor A. - 2021-12-08 - Shipping and Taxes

- Open your shop in ShopFactory

- Click -> Central dropdown -> Shipping charges

- Click on the box "show shipping charges for product"

- Now your Product will display a Shipping Charges Link like the example below

A product 1

This is a short description.

$2.50
ex Shipping

More details

A product 2

This is a short description.

On special | Reduced

~~$3.56~~ $2.85
ex Shipping

More details

A product 3

This is a short description.

$2.67
ex Shipping
