## I need to display Shipping Charges for Each Product - how do I do this?

Elenor A. - 2021-12-08 - Shipping and Taxes

- Open your shop in ShopFactory
- Click -> Central dropdown -> Shipping charges
- Click on the box "show shipping charges for product"

- Now your Product will display a Shipping Charges Link like the example below

	<p><b>A product 1</b> This is a short description.</p>	<p><b>\$2.50</b> <small>ex Shipping</small></p> <a href="#">More details</a>
	<p><b>A product 2</b> This is a short description.</p>	<p><b>On special</b> <b>Reduced</b> <del>£3.56</del> <b>\$2.85</b> <small>ex Shipping</small></p> <a href="#">More details</a>
	<p><b>A product 3</b> This is a short description.</p>	<p><b>\$2.67</b> <small>ex Shipping</small></p> <a href="#">More details</a>
