SF Test Shop: <http://sf12-gold6.shopfactory.com/>

Part 1: Signup for a merchant account with Multisafepay using JSON API

Read more about the activation process at: <https://www.multisafepay.com/docs/getting-started/>

If you have any further questions, please don't hesitate to contact MultiSafepay

via support@multisafepay.com or by telephone on +31 (0)20 8500 500 (Monday to Friday between 9.00 - 17.30 hours CET).

Part 2: Once your application is approved and you received your Multisafepay Connect merchant details, setup your shop to accept Multisafepay supported payments

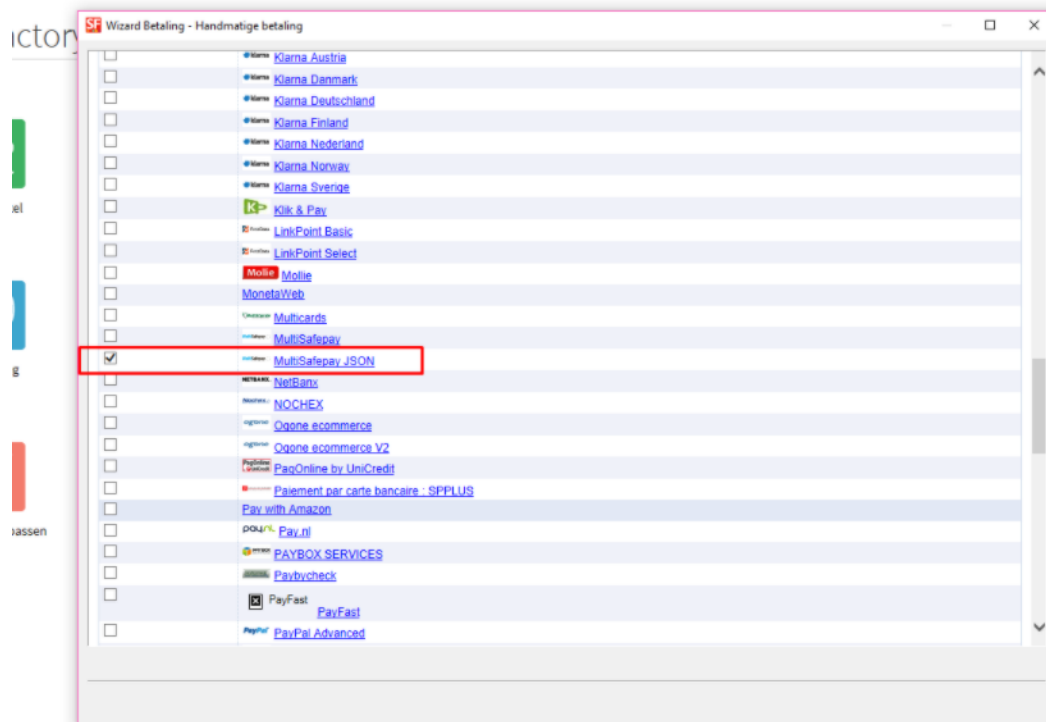

Note: Your API key will be required to be able to setup your shop. Login to your Multisafepay merchant account -> **Settings** -> **Website Settings**

The screenshot shows the 'Website settings' page in the MultiSafepay merchant dashboard. The left sidebar contains navigation options like Dashboard, Finance, Transactions, Settings, Reports, Tools, and Contact us.
