To accept credit card payments in PayPal and buyer doesn't need to have a PayPal account to complete payment.

Simply enable "Non-PayPal account" checkbox in the payment settings to allow buyers to checkout without having to create a PayPal account.

- Open shop in ShopFactory
- Click **Central** dropdown button -> **Payment methods accepted**
- Select "**Show All**" from the "**Country**" dropdown menu.
- Scroll down and tick "**PayPal**" checkbox and then click Next button.
- Enter your PayPal Email address.
- Enable "**Non-PayPal Account**" checkbox

*Buyer does not need to create a PayPal account to checkout and landing page for Non-PayPal account.*

- Select the currencies you want to accept - make sure the currencies you enable here match your shop currencies.

The screenshot shows the 'Payment methods accepted' configuration page. Under the 'Payment settings' section, the 'PayPal:' section is expanded to show 'Account details' with the 'Username/Email Address' field containing 'test@3d3.com'. Below this, the 'Authorization of payment only:' section has an unchecked checkbox. The 'Non-PayPal account:' section has a checked checkbox, which is highlighted with a red rectangular box. The description for this checkbox reads: 'Buyer does not need to create a PayPal account to check out and landing page for Non-PayPal account.' At the bottom, the 'Currency' dropdown menu is open, showing 'Afghanistan Afghani (AFA) Af' and 'Albanian Lek (ALL) L' as options.

- Tick the payment methods you want to accept in PayPal, i.e. Visa, Mastercard, PayPal, etc.
- Click "Next"
- You can sort the order of display for all payment methods enabled by clicking the **up/down** arrow button.
- Click **Finish** button to save the settings
- Save and preview your shop.
- Place a test order to ensure checkout is working
- Publish your shop so that the changes are uploaded online.
