EN-Show payment service provider name during checkout

Elenor A. - 2021-12-08 - [Parámetros de pagamiento](#)

ShopFactory has "*Show payment provider name during checkout process*" option at the ShopFactory Cloud / Total Care interface that can be enabled by merchants if they want the payment provider logo to show during checkout.

To set this up, you will need to do the following:

- Open shop in ShopFactory

- Click on MY ORDERS button to connect to the SF Cloud interface -> select "Return to ShopFactory Total Care interface" link -> click on **Settings** menu -> *Account Settings* -> **Settings** section:

- Tick "**Show service provider name during checkout process**" and then click Submit button to save the changes.

- Merchant will need to open the payment setup wizard again: Central -> ***Payment Methods Accepted*** -> tick the payments you can accept for example, PayPal Pro HOSTED - tick all the card payments your merchant account can accept such as: Visa, Mastercard, Carta Aura, Postepay, PayPal. Click Next until Finish. Complete the payment setup wizard.

Account details

Username/Email Address:	sales@3d3.com

Authorization of payment only: ☐

When you select this function, your customers will not pay you immediately. PayPal will only verify the ability of the customer to pay. When you want the money to be paid, you have to log into your PayPal account and tell PayPal to withdraw the money from the customer.

Non-PayPal account: ☑

Buyer does not need to create a PayPal account to check out and landing page for Non-PayPal account.

Currency

Australian Dollar (AUD) A$
