Enable MultiSafepay JSON payment option in your online shop

Merliza N. - 2022-10-22 - Payment Settings

SF Test Shop: <http://sf12-gold6.shopfactory.com/>

Part 1: Signup for a merchant account with Multisafepay using JSON API

Read more about the activation process at: <https://www.multisafepay.com/docs/getting-started/>

If you have any further questions, please don't hesitate to contact MultiSafepay

via support@multisafepay.com or by telephone on +31 (0)20 8500 500 (Monday to Friday between 9.00 - 17.30 hours CET).

Part 2: Once your application is approved and you received your Multisafepay Connect merchant details, setup your shop to accept Multisafepay supported payments

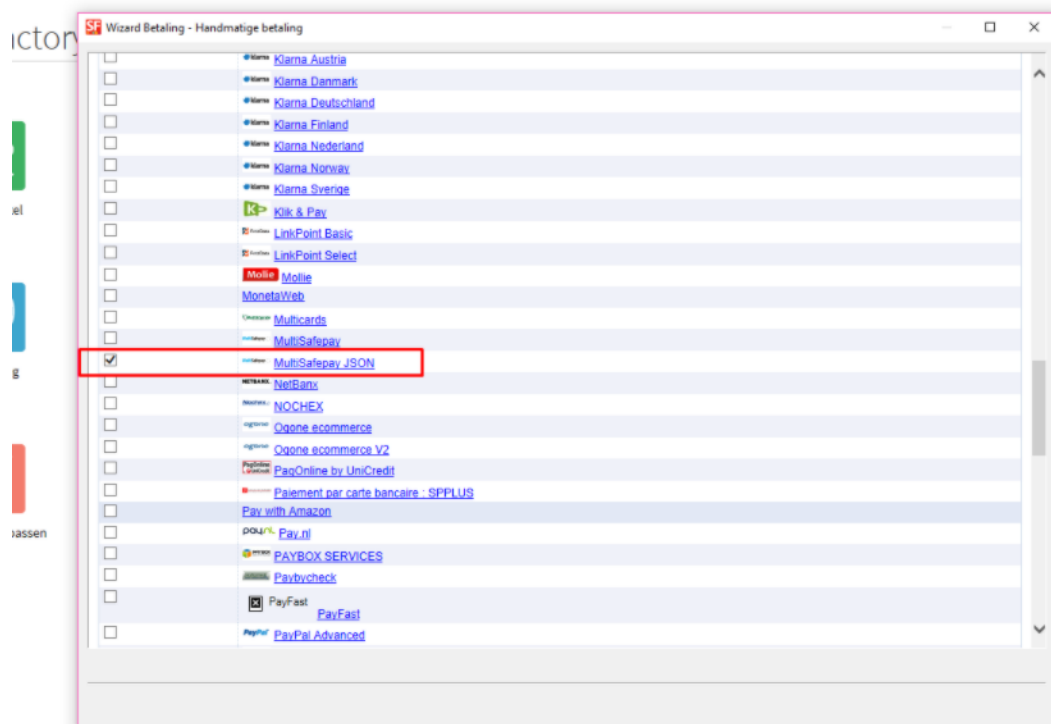

Note: Your API key will be required to be able to setup your shop. Login to your Multisafepay merchant account -> **Settings** -> **Website Settings**

The screenshot shows the 'Website settings' page in the MultiSafepay interface. The left sidebar contains navigation links: Dashboard, Finance, Transactions, Settings (expanded), Reports, Tools, and Contact us. The 'Settings' menu is expanded, showing sub-items: Email templates, Website settings, Payment methods, Files, Payment pages, and User management. The main content area is titled 'Website settings' and includes a breadcrumb trail: Dashboard > Settings > Website settings > Test Site. The settings form includes the following fields:

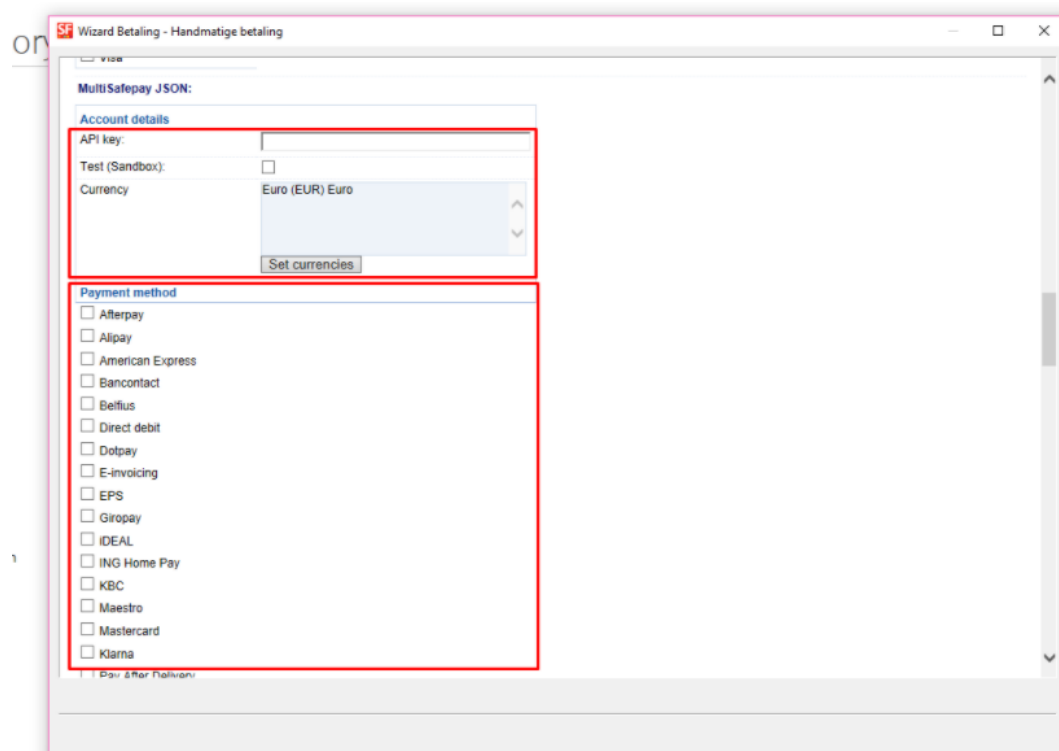

- Name: Test Site
- Website URL: http://sf12-gold6.shopfactory.com
- Notification URL: Optional field
- Support phone: +61395900654
- Support email: test@3d3.com
- Website Category: Fashion and care (dropdown)
- Use new payment pages: Checked (with 'Customize templates' button)
- Payment logo (Fast Checkout): No image (dropdown with 'Preview' button)
- Site id: 20121
- Secure Code: [Redacted]
- API Key: [Redacted, highlighted with a yellow box and a red arrow]
- Status: Active (dropdown)

How to enable in SF

- Open your shop in ShopFactory
- Click -> Central drop-down menu -> Payment methods accepted
- From the Payment Providers list, tick "**MultiSafepay JSON**"

- Scroll down the page and click NEXT button
- Enter your **MultiSafepay JSON** account details
- Tick the card types under **MultiSafepay JSON** supported Payment Methods that you want to enable in your shop.

- Click Next

- Click Finish
- Save and preview your shop. Place a test order.
- Republish your shop so that the changes are uploaded online
