

EN-How do I setup Paypal Pro in ShopFactory?

Elenor A. - 2021-12-08 - Payment Settings

To accept PayPal Pro payments, you need a paid SF Cloud Total Care/GlobeCharge account, because you will need to upload your PayPal API Credentials Certificate to a secure server.

How do I download my PayPal Pro API?

1. Login your your PayPal account.
2. Click on Profile in the menu
3. Under Account Information, Click on the link API Access
4. You will see a box Request API Credentials, click on the link View or Remove Credentials
5. Click on View or Remove Credentials
6. Click on Download certificate and save the file to your computer. You will need to upload this file into GlobeCharge.

In ShopFactory

- Open shop in ShopFactory
- Click *Central* dropdown -> Payment methods accepted
- From the list of payment methods, tick PayPal Pro
