## EN-PayPal payments: Setting up Non Paypal account (Buyer does not need to create a PayPal account to checkout)

Elenor A. - 2021-12-08 - Payment Settings

To accept credit card payments in PayPal and buyer doesn't need to have a PayPal account to complete payment.

Simply enable "Non-PayPal account" checkbox in the payment settings to allow buyers to checkout without having to create a PayPal account.

- Open shop in ShopFactory
- Click **Central** dropdown button -> **Payment methods accepted**
- Select **"Show All"** from the **"Country"** dropdown menu.
- Scroll down and tick **"PayPal"** checkbox and then click Next button.
- Enter your PayPal Email address.
- Enable **"Non-PayPal Account"** checkbox

*Buyer does not need to create a PayPal account to checkout and landing page for Non-PayPal account.*

- Select the currencies you want to accept - make sure the currencies you enable here match your shop currencies.

**Payment methods accepted**

**Payment settings**

PayPal:

**Account details**

Username/Email Address:

**Authorization of payment only:**  When you select this function, your customers will not pay you immediately. PayPal will only verify the ability of the customer to pay. When you want the money to be paid, you have to log into your PayPal account and tell PayPal to withdraw the money from the customer.

**Non-PayPal account:**  Buyer does not need to create a PayPal account to check out and landing page for Non-PayPal account.

Currency: Afghanistan Afghani (AFA) Af  
Albanian Lek (ALL) L
