## Setting preferred language for my ShopFactory Cloud package billing emails

Merliza N. - 2021-11-12 - Billing and Sales

## To set the preferred language in your ShopFactory Cloud rental package:

- In ShopFactory, select ShopFactory Central page at the left-tree menu
- Click My Orders (This will log you into your cloud interface)
- Click on Account > Account Profile
- Change the language
- Click on Save on the top-right.

The billing emails are sent according to the language you have chosen in your ShopFactory account.
