## Setting up Masterpass as a payment option in my shop

Merliza N. - 2021-12-08 - Payment Settings

Masterpass is already supported in ShopFactory but is currently ONLY available for Australian merchants with payment provider account thru *DirectOne*, eWAY or SecurePay gateways.

Here is my MasterPass test shop only for Australian merchants:

http://merliza.santu.com/ - at the ordertotal page, you can see the MasterPass button (express checkout)

- Open your shop in ShopFactory
- Click on Central dropdown -> Payment Methods Accepted

Note: To use Masterpass as payment method payment provider account thru *DirectOne*, *eWAY* or *SecurePay gateways*.

- The payment providers list shows up, enable the payment you want by ticking it in this case, tick " *DirectOne*, " option
- Click Next
- Enter your DirectOne merchant account details (Username, Password, currencies supported, etc.)
- To enable Masterpass payment you need to tick the box for "Show Masterpass button" and enter your MasterPass checkout id
- Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account

## Direct One:

Account details		
Username:		
Password:

- Click Next

(*Note*: You can sort the payment methods display by pressing the up/down arrow)

- Click Finish
- Save and preview your shop. Place a test order.
- Republish your shop so that the changes are uploaded online.

Your shop can now accept online orders.
