Setting up PayPal Express payment in my shop

Elenor A. - 2021-12-08 - Payment Settings

PayPal Express payment bypasses the ShopFactory secure checkout form and directly connects the buyer to the secure PayPal payment page. When you enable this option in your shop, the "PayPal Express" button appears on the Basket page so customers can click on the PayPal Express button after selecting the shipping region.

Merchants must at least have a Business account with PayPal.

A. How do I obtain a PayPal API Signature?

Have your PayPal Express merchant details ready:

1. Firstly, you must have a valid Verified Paypal **Business** Account, if not go to <u>www.paypal.com</u> and signup for a Business account

2. Login to your PayPal account at www.paypal.com

3. Select the tab **Profile** -> *My Selling Tools* -> At the "*Selling Online*" section -> locate the **API Access** item -> click UPDATE

- 4. From the window above click on API Access
- 5. If you have not done so already click on Option 2: Request API Creditentials

My Account Send Money Request Money Merchan	t Services Auction Tools Products & Services	
Overview Add Funds Withdraw History Resolution Centre Profile		
API Access	Back to My Profile	
An API (Application Programming Interface) allows PayPal software to	communicate with your online shop or shopping cart.	
Setting up API permissions and credentials		
Choose one of the following options to integrate your PayPal payment solution with your online shop or shopping cart.		
 Option 1 - Grant API permissions to a third party to use certain PayPal APIs on your behalf. Choose this option if: You are using a pre-integrated shopping cart, hosted by a third party Your website is hosted and managed by a third-party service provider Grant API permission 	Option 2 - Request API credentials to create your own API username and password. This option applies to: • Custom websites and online shops • Pre-integrated shopping carts running on your own server Request API credentials	

6. On the next window choose the **API Signature** option and *Submit*

7. The next screen shows your details which you need to copy/paste in ShopFactory as outlined
