EN-GDPR compliance: Show "Product Details" in secure Checkout page

Jobelle C. - 2021-11-16 - Pages and Products

To comply with the GDPR regulations, the product details must be displayed to your buyer during Checkout.

1: All products must have texts in the product introduction section

This can be achieved by adding the product details in the "***Product Introduction***" section for each product.
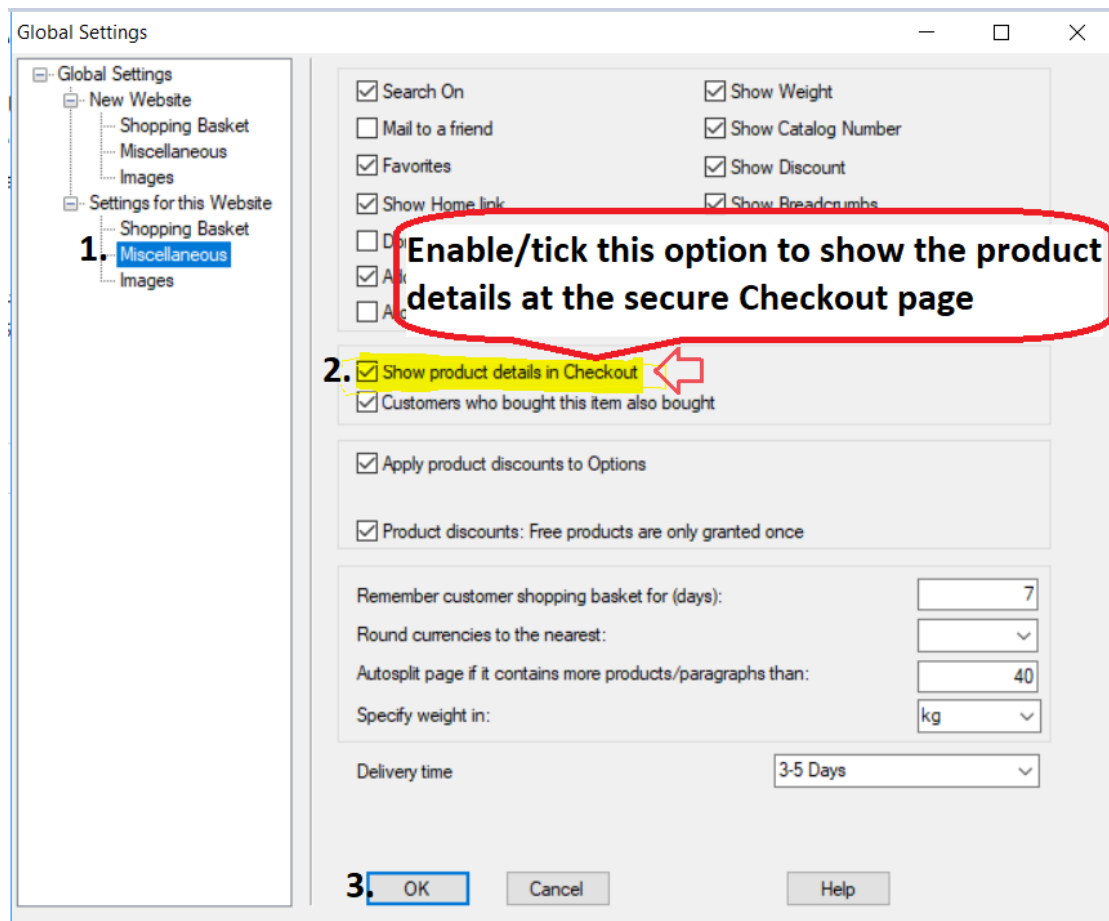

- Open your shop in ShopFactory

- At the left-tree menu, select the page/department where products are contained (you can choose to switch to LIST mode for a quick view of all products in that department)

- Select a product -> click "*EDIT PRODUCT*" from the toolbar

- In the "**Introduction**" textbox, enter a short description for this product

*** Repeat above steps for all other products in your shop*

2: Enable the "Show product details in checkout" option under Global Settings

- Click *Settings* menu -> select "*Global Settings*"

- At the left column, select "*Settings for this Website*" -> **Miscellaneous**

- Tick "**Show Product details in checkout**" checkbox as shown below:
