Setup Special Products in ShopFactory Cloud and sell via Facebook

Merliza N. - 2021-12-08 - Apps en SF Cloud diensten

Note: "Special Products" feature is ONLY applicable to **ShopFactory Gold and Platinum Rental** plans.

This feature allows you to add special products and add your store to Facebook.

Refer to this YouTube video: <https://www.youtube.com/watch?v=Ud-wlEZn52I>

How to setup

- Open your shop in ShopFactory
- At the ShopFactory Central page, click on *MY ORDERS* button -> you will be redirected to the ShopFactory Cloud interface,

If you are in the old ShopFactory Total Care interface:

- Click on *SERVICES* menu -> click on the "**Special Products**" sub-menu (top right).
- Select a product type you want to add
- In the ShopFactory Cloud backend interface, click on *MY PRODUCTS* to add the products that you want to sell in your Facebook store, <http://app.santu.com/buynow/product>

If you have previously added products in Santu (SF Cloud), click on **My Products to view or edit them.*

To integrate these Special Products into your Facebook page, follow the steps below:

=> Within the SF Cloud interface, click *HOME* menu -> **My Sales Channels**
